

It's never too late to change to stripes!

Flying Tiger Copenhagen salutes summer with a stripy collection of accessories and articles for your home or summer house.

Going away or planning a sweet staycation? Summer is what the whole year is about. This season, Flying Tiger Copenhagen is having a serious affair with stripes and mellow yellow.

The summer collection offers a stripy lemon-coloured toilet bag and a pair of comfortable sandals. And because you can never have too many stripes, the new collection also includes a stripy vase and festive paper decorations.

Available in stores in July and cost from 1€.

An invitation to a richer life

At Flying Tiger Copenhagen, we don't design to make products look nice. We design to make people feel good. Every month we launch an array of new products: Things you need. Things you dream of. Things you didn't know existed. Products made with thought for you and the resources we share. A richer life doesn't cost a fortune. At least not at Flying Tiger Copenhagen.
