

Hooray!

Flying Tiger Copenhagen is launching a new festive 'happy birthday' series. Let's celebrate!

Whether you are young at heart, just a kid or full of wonderful years there is always a number that fits your age. The happy birthday series also have a whole alphabet of festive gold and silver foil balloons. And then one must not forget paper garlands, napkins and tableware décor, not to mention all the fun things it takes to decorate a memorable cake.

The happy birthday series will be part of the fixed assortment, and available all year round.

Flying Tiger Copenhagen brings you something that brings you closer to someone else.

In stores from March and costs from 10 kroner / 1 euro.
